

Walk-In Stability Chambers

20°C – 60°C | 40% Rh – 95% Rh | Forced Air Circulation

Standard Equipment:

- Chamber operations are controlled by the Ecotronic System, which applies dew point principles based on the psychrometric chart
- Double-walled, 60 mm PUF-insulated modular panels designed for easy on-site assembly.
- 304 stainless steel interior; exterior either 304 stainless steel or PPGI
- Stainless steel trays
- Observation window 11.8" x 11.8" (300 x 300mm)
- PVC strip curtain to reduce temperature loss
- Illuminated work area
- Linoleum flooring
- Heater line running along the door to eliminate condensation
- U-shaped stainless steel heating elements
- Split-type condenser unit installed in a well-ventilated area to prevent discharging hot air into the room
- CFC-free cooling system with hermetically sealed compressor coupled with an evaporation coil and condenser
- Humidity controlled by dew point principles (for capacities >8KL)
- Standby humidity system with booster humidification
- PLC control system with 7" color touch display and data logging—up to 1000 records
- High-speed Ethernet communications
- Combination temperature and humidity sensor with 4-20mA output
- Safety devices
 - Configurable low and high temperature cut-off thermostats
 - Audio/visual alarms for deviations
- DQ, IQ, OQ, PQ, SOP and maintenance manual included

Specifications:

- Temperature Range: 20°C up to 60°C
- Temperature Accuracy: ±0.5°C
- Temperature Uniformity: ±0.1°C
- Humidity Range: 40% Rh up to 95% Rh
- Humidity Accuracy: ±2% Rh
- Humidity Uniformity: ±3% Rh

Power Supply:

- 230V 50/60Hz

Optional Equipment:

- ICDAS-A single software installation for centralized data recording of up to 20 connected devices.
- 8 pt. temperature and humidity scanner
- Standby cooling system with auto switchover
- Door access system (numeric or biometric)
- Remote alarm system for up to 4 connected Newtronic devices.
- Mobile alert system

Model	Capacity		Interior Dimensions H x W x D (mm)	Exterior Dimensions H x W x D (mm)	Tray Qty.	Tray Dimensions W x D (mm)
	ft ³	Liter
